The First Cryptocurrency for a virtual country

Calimappa Coin has limited complexity, but is aimed at becoming the primary currency of Calimappataxiqua.

You can become a citizen without purchasing any Calimappa Coin, and you can purchase Calimappa Coin without becoming a citizen, but the true power of Calimappataxiqua is bringing all the concepts together in one supremely unique experience.

What is Calimappataxiqua?

Calimappataxiqua is a unique country that has a real and virtual presence. With constituents in the 3rd, 4th, and 10th dimensions, Calimappataxiquans span the space time continuum unlike any other country's inhabitants.

The goal of Calimappataxiqua is to liberate humans and robots to believe in an improved future now with agility and creative solutions welcomed, not feared as they are in most other prominent Earthly cultures.

Why Calimappa Coin?

We do not require the use of Calimappa Coin, but it is part of the fun of being a citizen. To start, we recommend a purchase of 1,000 \$CMTQ. There are currently only 1M coins in circulation and 10M available in total, so please consider not hoarding all the coins to yourself.
